# FROM THE OWNER

Dear Tim Coe,

**Thank you for considering Northstar Roofing for your roofing project at 123 Main Street - it would be an honor to work on your property.**

We're excited about the opportunity to install a premium Brava Field Tile roofing system on your home, complete with elegant copper D-style eaves and rakes that will beautifully complement the natural surroundings of your Main Street location. The copper valley work and step flashing will provide exceptional weather protection, while the RMSG Yeti snowguard system will effectively manage snow loads - particularly important for your property's exposure and our Colorado mountain conditions.

At Northstar Roofing, we approach every project with the same attention to detail and quality craftsmanship that we'd want for our own homes. Your roofing investment deserves nothing less than meticulous installation and the finest materials available.

**What's Included in This Proposal:**

- Detailed line item estimate breaking down all materials and labor
- Important links including terms, exclusions, and warranty info
- References from past clients

Please don't hesitate to reach out with any questions about the proposal or our process.

Best regards,

**Omiiah Travis**
